

## Project Data Sheet

**Title** Number Two

**Location** Village Green Dog Park, Mountain View, California

**Description** Number Two is a playful and artistic take on the St. Bernard. A keg is attached around the dog's neck containing poop bags for visitor's furry friends. This special element gives the sculpture its unique and humorous name, number two. If you ever bring your animals here they will no doubt be entertained by this life like, well behaved, sculptural companion. Fabricated and installed through the use of percent for art funds administered by the artist on behalf of Merlone Geier Partners and approved by the City of Mountain View.

**Date** 2013
