

Project Data Sheet

Title Wheel Tree Bike Racks

Location Arden Creek, Sacramento, Ca

Description Hook your bike up to these on one of a kind wheel tree bike racks. Fabricated out of heavy mild steel 1/2 in. plate to create a theft resistant yet creative take on your everyday bike rack. Each of the wheels line the tips of the branches and have their own unique spoke design to create a mesmerizing shadow when light penetrates through their shapes.

Date 2018

Medium mild steel

Dimensions 3'H x 2'W x 8"D

Commissioned by Merlone Geier Partners
