Project Data Sheet

Title Same Sun

Location East Area Water Tank, Davis, Ca

Description This sculpture was completed in conjunction with two local mural artists, Sofia Lacin and Hennessy Christophel. The metal cloud structures cast shadows upon the face of the water tank, that line up with the painted letters during the Summer Solstice. Spelling in Latin "Sol Omnibus Lucet" which translates to "The Sun Shines down upon us all." The East Area Water Tank is located off of Mace Blvd. exit on I/80, in Davis, Ca.
